To whom it may concern:

I have worked with Chelle Ellis on multiple fund raising exhibitions since 2016.

We co-curate the Nasty Women Memphis art exhibitions as a fundraiser for Planned Parenthood of Memphis. Our first exhibit together had over 100 participating artists and was planned in about a month's time. In that time frame, Chelle built a website for Nasty Women Memphis that not only shares information about our mission but also allows submissions from artists and links to social media. At one time, she had an online shop on the website as well. As the submissions pour in, Chelle keeps all the information and participant correspondence organized.

On top of these tasks, she and I work together securing the venue, installing the exhibitions, and handling art sales. Although Chelle makes no personal profit by completing these exhibitions, she works tirelessly to ensure these fundraisers are the best events they can be.

She is a wonderful person to have on your team. She works hard and has great ideas while always willing to communicate and hear the thoughts of everyone at the table. I feel privileged to be part of a team with Chelle Ellis; you would be lucky to have her.

Sincerely,

Danielle Sumler
